## Registration & Class Schedule

## Welcome Students and Parents!

Welcome to the Releasing the Genius community. For over 30 years our mission statement, "To promote co-operation, inspire confidence, and release the genius in every child", continues to be the foundation that binds high-performing educators, parents, and students toward one common vision – to create future leaders with the global standard of education.

Spirit of Math is difficult, requires a lot of effort, and it works! The academic success of our students is largely due to the hard work of a community working together. Success is achieved by a combination of the grit and collaborative work of our students, the positive consistent assistance by parents at home and the extra support provided by each campus. As members of this community, both parents and students have access to many tools designed by Spirit of Math to enrich the learning experience.

## Spirit of Math Community Membership Benefits

**FREE HOMEWORK HELP**
Complimentary weekly 90-minute homework help sessions with our teachers at all campuses.

**CONTESTS**
Students grades 1 - 4 write the International Spirit of Math Contest at no additional cost. Other contests are offered to all students.

**ONLINE COMMUNITY**
24/7 access for students (and parents) to our online learning management system for report cards, lessons and lesson videos.

**HIGHLY TRAINED TEACHERS**
Parents have access to teachers via email for additional feedback and questions about their child's progress.

**PARENT INVOLVEMENT**
All Spirit of Math parents are encouraged to observe and sit in classes.

**OFFICE 365**
All students (and parents) receive a free subscription of Microsoft Office 365 products.
